# Scouting's Journey to Excellence

## 2018 Troop Performance Recognition Program

### Adaptation for Eleven-year-old (EYO) Scouts

Journey to Excellence uses a balanced approach to measure performance. Below provides specific information to help you understand the criteria and exactly what data will be used to determine the three levels of performance. In planning your strategy, use actual numbers from the previous year to guide your performance improvement goal planning. The troop may qualify by meeting a specific standard or by showing improvement.

Planning and Budget Measures	
1	The troop has a program plan which includes elements of Faith in God and a budget that is reviewed at all troop committee meetings, and the troop follows BSA and LDS policies relating to fundraising and fiscal management as found on the Unit Money-Earning Application form and any other publication that the council has developed for fundraising and fiscal management. A meeting is held with youth leaders where they are involved in developing the plan for the next program year. The Troop program plan (EYO's) is shared with the Unit commissioner (Stake Primary Presidency).
Membership Measures	
2	<b>Bronze – All LDS boys are automatically registered.</b> Silver – Have a written plan to recruit any non-member or inactive boy. Gold – Recruit at least one non-member or inactive boy.
3	<b>Bronze - All LDS boys are automatically registered each year.</b> Silver – Earn Bronze plus annual re-chartering is completed on time. Gold – Earn Silver plus MLS reports are updated to the council quarterly.
4	Hold at least two activities with a pack or Webelos den, and recruit new Webelos Scouts into the troop.
Program Measures	
5	Total number of EYO Boy Scouts advancing at least one rank (Scout, Tenderfoot, Second Class, First Class, Star) since your last charter renewal date. Include all boys who participated in the program during the year. Advancements are awarded as soon as possible; Courts of Honor recognize all achievements during the previous period. Advancements are reported using Internet Advancement at <a href="https://scoutnet.scouting.org/IADV/ui/home/default.aspx">https://scoutnet.scouting.org/IADV/ui/home/default.aspx</a> , or to the Stake/District by whatever means they provide.
6	Conduct short-term (at least one overnight) campouts throughout the year. Outdoor activities should be reported to the District (or Stake) by whatever means they have provided.
7	Percentage of Scouts leaving the EYO patrol during 2018 who have participated in three campouts as an EYO Scout. <b>The goal is to have every Scout participate in three campouts as an EYO Scout.</b> Outdoor activities should be reported to the District (or Stake) by whatever means they have provided.
8	The troop participates in service projects during the year and reports them on the JTE website at <a href="https://servicehours.scouting.org">https://servicehours.scouting.org</a> or to the district through whatever means they provide. The projects may be completed as joint projects with other organizations.
9	Form 1 or more EYO patrols and each patrol has an elected patrol leader. If the troop has more than one patrol, the PLC meets at least four times each year. The troop holds patrol leader training each year, and youth have the opportunity to participate in training.
Volunteer Leadership Measures	
10	There is an EYO Leader, an assistant, and a Troop committee of at least three members. <b>Ideally, the chartered organization representative should not be dual registered as one of the committee members.</b> The troop including the EYO Patrol, conducts courts of honor where youth are recognized and program plans are shared with parents.
11	EYO Leader and assistants have had an orientation and have completed youth protection training. EYO Leader and 60% of the assistants have completed position-specific training or, if new, will complete within three months of joining. Two-thirds of active Troop committee members have completed Troop Committee Challenge. For Gold, one leader must have completed Wood Badge Summit or Philmont Training Center, at some point in their Scouting tenure.

Scoring the troop's performance: To determine the troop's performance level, you will use the above information to determine the points earned for each of the 11 criteria and then add those individual point scores to determine a composite score. Count only the highest point total achieved in any one criterion. Bronze level requires earning at least 520 points in at least 8 criteria, Silver level requires earning points in at least 8 criteria and 750 points, and Gold level requires earning points in at least 8 criteria, **meeting at least bronze standards in either short-term or long-term camping**, and 1,000 total points.
