Introduction to Camp

Camp Fife offers a balanced day camp programs for Cub Scouts, Webelos Scouts, and Primary youth.

Situated on 100 acres next to the Bear River, Camp Fife is only 1 hour north of Ogden, Utah, and 25 minutes west of Logan, Utah.

Non-Discrimination Clause
Camp Fife does not discriminate against anyone on the basis of race, color, national origin, religion, age, sex, handicap, or any other delineation of peoples.

Contact Us
We’re here to help your unit have the most memorable experience at camp. If you have any questions as you prepare for your adventure, please let us know at program.office@scouting.org or fife@scouting.org.
Day Camp Programs

Adventures include:

**Tobu Landing (Zip line – Long Jump!) . . .**
Tobu in Japanese means to jump or to fly! You will experience both sensations as you leap from the platform and soar down the zip line! It is our version of the “Long Jump!”

**Banzai BMX Bike Course . . .**
“Banzai” was a cheer given by Japanese soldiers. You will also feel like cheering with excitement as you experience the twists and turns of Camp Fife’s BMX bicycle course! Participants will also learn all about bicycle safety as they learn new skills!

**Fuji Sports Climbing (Rock wall) . . .**
Sports Climbing will make its Olympic debut in the Tokyo 2020 Olympics! You will experience the thrill of this sport as you climb to new heights on our rock wall while using the proper safety equipment!

**Reeling in the Sushi/Gaga Ball . . .**
Although Fishing and Gaga Ball are not official sports of the 2020 Olympics, we are confident that you will have a great time! Practice your casting skills as you learn all about fishing! Then experience the thrill of Gaga Ball – a fast paced, high energy version of Dodgeball!

**Olympic Village (Trading Post) . . .**
Come get refreshed from the day at the Olympics with our well-stocked watering hole, and gift shop. You will find such items as drinks, snacks, toys, and other souvenirs to take home with you to remember your time at Camp Fife!
Sensei Shooting Range (BB Guns) . . .
Sensei is the Japanese word for a teacher or a master of a skill. Come and learn from our sensei of BB Guns! Obtain new shooting skills and prepare for the Olympics in the future! This will be an unforgettable experience!

Samurai Archery Range . . .
Skilled in swordsmanship and archery, the Samurai were fierce Japanese warriors. Practice your Samurai skills with Camp Fife’s archery range! This is always a favorite!

Ninja course/Imperial Palace Garden Walk (Obstacle Course and Nature Trail – Race Walking) . . .
Practice your Ninja skills while experiencing our obstacle course! Then learn how to identify plants while “race walking” along the banks of the Bear River!
General Information

Please understand that the purpose of camp rules is to insure the safety and convenience of all those who will be living together here at Camp Fife. These rules make it possible for us to safely do things we would otherwise never attempt. In a very real sense, these rules set us free.

Arriving at Camp

**Plan to arrive at camp no later than 7:30am.** This will allow your group to check in, find a picnic spot, and attend flag ceremony.

Medical Forms

All participants (youth & adults) must complete parts A & B of the BSA health form. Bring these forms with you and turn them in at check in.

Refund Policy

A complete list of required deposits, fee schedules, and information about refunds is available online at [www.utahscouts.org/refund](http://www.utahscouts.org/refund).

Insurance

- Each group is required to carry adequate and proper liability insurance. Your group will need to bring a copy of this policy when you arrive at camp.
- Please prepare to verify that each camper is protected with personal health insurance - ensure that policy numbers are listed on each medical form.

Leadership Roles

All groups are required to maintain 2 adult leaders at camp during all times. One additional adult is required for every 10 youth.

Emergency Alarm

As part of our flag ceremony, we will demonstrate the camp’s emergency alarm. Any other alarms during the activity will be real. If you hear the alarm, walk to
the flag pole, join with your group, and ensure all are accounted for. Further instructions will be presented at the flag pole.

**First Aid**
Our Health Lodge is designed to meet the emergency needs of our campers. All injuries must be reported and properly recorded. We are ready with emergency support and will make necessary contact with local Emergency Medical Services. We will store all medications that require refrigeration and will assist with dispensing if needed.

**Youth Protection**
The Boy Scouts of America is a leader in the fight against child abuse. We must do everything in our power to prevent physical, emotional, and sexual abuse. To protect youth and adults we must be extremely careful to follow the BSA TWO-DEEP LEADERSHIP policies. The BSA cannot tolerate any activity that can, in anyway, be interpreted as abusive. If you are aware of anything questionable, please report it at once to the Camp Director. Do not become directly involved unless there is an immediate physical threat.

**Buddy System**
All campers should use the buddy system at ALL times in camp.

**Tree Climbing**
Camp Fife has a strict no tree climbing policy. Participants (youth or adult) that are discovered to be climbing trees will be sent home.

**Fire**
The smallest spark is a deadly threat to wildlife and campers. No fireworks are allowed in camp. All fires must be confined to the designated fire pits in each campsite.
Firearms, Ammunition & Archery
Camp Fife has adequate equipment and so it is required that no personal firearms, archery equipment or ammunition be brought to camp.

Smoking, Alcohol & Drugs
All buildings and tents are smoke-free. There are designated smoking areas for those who smoke. As a facility of the Boy Scouts of America, possession or consumption of alcoholic beverages is not permitted on the property. Possession of unprescribed drugs, or abuse of prescribed drugs, are expressly prohibited at camp. Individuals or groups found in violation of this policy will be sent home immediately.

Lost Camper Prevention
One should never go where they do not know and one should always take a buddy. Stay on trails, in camp, or with an experienced staff guide. No one should ever go anywhere without telling group leaders where they are going and when they intend to return. Always be prepared with water and proper clothing.

Group leadership should report immediately if someone does not show up when and where they should. Please instruct all scouts and leaders to stop and stay put, “hug a tree”, the moment they realize they are lost.

Facilities and Equipment
Camp Fife provides all groups with the opportunity to avail themselves of literally hundreds of thousands of dollars’ worth of program equipment during a week of camp. Normal “wear and tear” of equipment is expected; however, careless or intentional mistreatment of equipment is not permitted. All campers should take care of, and have respect for, all camp wide equipment and facilities including: All shower and restroom facilities, camp wide buildings and structures, personal camp equipment belonging to others, program equipment.

Camp Fife is proud of its equipment and facilities. All campers are politely asked to use the equipment as intended and to have a great time in doing so.
Phone
There is no public phone available; however, there is cellular service at Camp Fife.

Trading Post
Camp Fife has a great store, which provides camp gear, snacks, souvenirs, and program supplies. Some other items available are soda, treats, and camp memorabilia.
Food Service
Youth and leaders will need to bring a sack lunch and a water bottle to camp. Please bring them in a cooler and you can put them on a picnic table in the morning before registration. There are multiple trash cans placed around camp for garbage. Please remember to practice Leave No Trace and leave the camp better than you found it.

Webelos Overnight Food Arrangements
Camp Fife will provide dinner in the dining hall (Friday dinner and Saturday breakfast). Units will not cook their own food in their camping area.

Dietary Accommodations
If you have special dietary needs while at camp, please submit the “Allergies At Camp” form at least two weeks prior to your arrival. The form can be found at: www.utahscouts.org/refund. We are happy to do our best to meet your needs. The camp cook will contact you prior to your arrival at camp to consult with you and provide you with information about our menu and which accommodations will be available. We cannot guarantee accommodations will be 100% free from cross-contamination as all food is prepped in the same area, but we will do our best.

Part A: Informed Consent, Release Agreement, and Authorization

Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant’s parents or guardian, and/or determination of the participant's ability to continue in the program activities.

If applicable, I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with any program or activity.

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication. I further authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage, and/or distribution of said photographs/film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of the BSA, and I specifically waive any right to any compensation I may have for any of the foregoing.

Every person who furnishes any BB device to any minor, without the express or implied permission of the parent or legal guardian of the minor, is guilty of a misdemeanor. (California Penal Code Section 19915(b)) My signature below on this form indicates my permission.

I give permission for my child to use a BB device. (Note: Not all events will include BB devices.)

Checking this box indicates you DO NOT want your child to use a BB device.
