Crossroads of the West Council, Boy Scouts of America

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes. We do so by instilling in them core values such as character, self-reliance, and honor which help them to be participative citizens and qualified leaders.

Proceeds from this event help provide Scouting experiences to over 10,000 youth, including camping programs at council camps, and weekly Scouting programs taking place in units across the Council.
